

ILLUMINATE ASIA APPOINTS HEAD OF TECHNOLOGY

1 April 2024: Illuminate Asia welcomes **Bambang Eko Prasetyo (Eko)** to the team as Head of Technology, and he will assume the role immediately.

Eko is a seasoned technology leader with over two decades of experience in the tech industry and a proven track record in delivering scalable and secure technology solutions, ensuring alignment with business objectives and customer needs. He is passionate about innovation, learning, and fostering an agile mindset within team. His approach to technology is marked by his curiosity and a commitment to staying at the forefront of technological advancements, while also valuing meaningful human interactions and collaboration.

As Head of Technology for Illuminate Asia, Eko will oversee IT initiatives and development. His expertise lies in corporate digital transformation, cloud computing, web applications, and IT automation.

Eko will be working closely with all members of the Illuminate Asia Team across the region.

*"I am delighted to welcome Eko to the team!
He brings a wealth of experience in tech
solutions and implementation, which is sure
to drive Illuminate Asia forwards."*

Dawn Herdman, CEO

*"I'm thrilled to be joining Illuminate Asia,
looking forward to contribute to company's
tech initiatives and innovations. I believe in
learning and growth mindset, & can't wait to
work with the talented and experienced
Illuminate team"*

**Bambang Eko Prasetyo,
Head of Technology**

OUR VISION: Illuminating clarity and insight to
create a positive impact for our clients and
community across SouthEast Asia
